### Parent/Guardian Application Agreement

I understand that adult support is critical to the success of students in school. I will make sure that my child adheres to the LPS San Jose rules. I will ensure that my child arrives at school punctually and attends *all classes* unless he or she is ill. I will also pledge 30 hours a year of my own time to volunteer at the school or assist with school events.

Leadership Public Schools may release directory information that is contained in a student's education record to the general public, and to school districts, unless notified not to in writing. Leadership Public Schools has defined *Directory Information* as information that would not generally be considered harmful or an invasion of privacy if released. Directory information includes the following: name, local and permanent addresses, date of birth, telephone numbers, participation in officially recognized sports, dates of attendance, enrollment status, degrees, certificates, and awards received. Students may request that Leadership Public Schools not release directory information by sending written notice to the address listed below.

In addition, I understand that LPS San Jose is a public charter school and I agree to follow its charter and dispute resolution process. For example, this means that the school follows its policy, instead of the East Side Union High School District policy, and that all concerns and complaints should be directed to the charter school rather than the East Side Union High School District.
