- LPS Richmond is a charter high school that was founded in 2003.
- As a public charter school, we do not charge tuition and enrollment is open to all students (we will use a lottery if there are more applicants than spaces).
- We offer a college preparatory curriculum, small class sizes, personalized attention and support, and a *unique four-year leadership development program*.

By signing below, you are indicating that you are a student (or a parent of a student) that is meaningfully interested in enrolling at LPS Richmond for the fall of 2011.

By signing, there is no obligation to enroll, nor can we guarantee that we will have space available. We will add you to our mailing list and inform you when the formal enrollment process begins, at which time you will be asked to submit an enrollment application.
