- The freshmen year is instrumental in a successful high school experience. By enrolling your student in LPS San Jose, you and your student are committing yourselves to an education format based on a small learning environment that will promote a successful experience. You are also committing to a school that promotes a college culture for all students. In this end, it is necessary to give the experience the full year to see growth in your student and their academic well-being. In accepting a place at LPS San Jose, you are committing your family to this experience for the full year.
- The goal of LPS San Jose is to promote a successful academic experience for all. We realize that not all students learn at the same pace or come to us with the same learning experiences. If it is determined that your student qualifies for the Sunrise program based on diagnostic testing that indicates a reading score that is significantly below grading level, then attendance is mandatory. Failure to attend Sunrise may be cause for a request for transfer back to the student's base school.
